Les vedettes-matières qui ne nécessitent pas d'intervenants (les votes, par exemple) sont suivies de sous-vedettes avec les numéros des pages. Les vedettes dans l'index-matières se présentent de la façon suivante :

Index des intervenants. Dans cette section, la vedette principale est le nom d'un ou d'une député(e) et de sa circonscription, suivi d'une liste des sujets abordés par ce ou cette député(e) avec le numéro des pages. Les vedettes dans cette section se présentent de la façon suivante:

Index Guide

This index provides a detailed analysis of legislative debates in English or French as spoken by the participants. Translations are not provided in either language.

Entries are cross-referenced and arranged alphabetically into two sections, the Subject Index and the Speaker Index:

Subject Index - The main entry is a subject heading followed by a list of members who spoke on the subject and page references. Subject headings that do not require speakers, e.g., Divisions (recorded vote), are followed by subheadings and page numbers only. Typical entries in this section appear as follows:

Teachers. see also Principals and vice-principals
Johnson, D. , 284

Divisions (recorded vote)
Opposition day motions
Number 1 – Taxation (lost), 244

Speaker Index - The main entry is a member's name and riding followed by a list of topics spoken on by that member and page references. Typical entries in this section appear as follows:

Johnson, Hon. D. (PC, Don Mills)
Early childhood education
government funding, 21
Teachers, 248

French debates are grouped under the heading **French language debates/remarks** followed by subheading/s in French.

This index also provides **lists of bills** introduced during this session. Bills are listed alphabetically and numerically with a chronology of their stages of development.

Due to the limited number of committee meetings during this session, the **committee index** has been published with the House index on **pages 65-67**.

House and Committee Hansard issues and pages are numbered according to session. A list of issues, dates and page numbers for the third session of the 36th Parliament follows on page 3.

The **Subject** and **Speaker** sections of both indexes, as well as the **list of issues, dates and page numbers**, are also available on the Internet at <http://www.ontla.on.ca/>

Further information may be obtained by contacting the Hansard Reporting and Interpretation Services index staff at 416-325-7410; 325-7411; 325-3708; FAX : 416-314-5870.

Notice à l'intention des usagers

Cet index est le fruit d'une analyse détaillée des débats en anglais et en français, dans la langue de l'intervention. Les interventions ne sont pas traduites.

Les vedettes sont arrangées avec leurs renvois par ordre alphabétique en deux sections : un index-matières et un index des intervenants.

Index-matières. La vedette principale est une vedette-matière suivie d'une liste des députés qui sont intervenus sur ce sujet avec les numéros des pages. Les vedettes-matières qui ne nécessitent pas d'intervenants (les votes, par exemple) sont suivies de sous-vedettes avec les numéros des pages. Les vedettes dans l'index-matières se présentent de la façon suivante:

Teachers. see also Principals and vice-principals
Johnson, D. , 284

Divisions (recorded vote)
Opposition day motions
Number 1 – Taxation (lost), 244

Index des intervenants. La vedette principale est le nom d'un ou d'une député(e) et de sa circonscription, suivi d'une liste des sujets abordés par ce ou cette député(e) avec le numéro des pages. Les vedettes dans cette section se présentent de la façon suivante:

Johnson, Hon. D. (PC, Don Mills)
Early childhood education
government funding, 21
Teachers, 248

Les interventions en français sont groupées sous la vedette-matière **French language debates / remarks**, suivie de sous-vedettes en français.

Cet index donne également une **liste des projets de loi** présentés pendant la session. Cette liste est établie par ordre alphabétique et par ordre numérique avec une chronologie des étapes de leur avancement.

Étant donné le nombre limité de réunions de comités, **l'index des comités** paraît avec l'index de la Chambre à la **pages 65-67**.

Les numéros et les pages du Journal des débats de la Chambre et des comités sont numérotés par session. La liste des numéros, des dates et des numéros de page pour la troisième session de la trente-sixième législature se trouve page 3

Sont également disponibles à l'Internet au: <http://www.ontla.on.ca/>, les sections des **sujets** et des **intervenants** de l'index, de même que **dossiers, dates et numéros de page**.

Pour avoir des renseignements complémentaires, veuillez communiquer avec le personnel de l'index du service du Journal des débats et d'interprétation au 416-325-7410; au 325-7411 ou au 325-3708; télécopieur: 416-314-5870.
